

F.A.Q.

(“The Joy of Painting” is for everyone)

How do I know I can paint?

Most of my students had never painted before coming to their first class. But, not one of them failed to finish a ready-to-frame oil painting they were proud of in their very first class. **You can do it, too!**

Tell me about the Bob Ross wet-on-wet technique®.

It is the application of wet paint on top of wet paint, omitting the traditional "wait" for each layer to dry. Using special firm oil paints and starting with a wet-based canvas, paint may be glided across the canvas with large brushes and palette knives - making clouds, trees and water appear in seconds. **And, it's so easy! Try it!!!**

What types of painting are taught?

Landscapes.

Who can come to the classes?

- Anyone over 12 years old (mature enough to take instruction)
- Beginners
- Advanced
- The artistically undiscovered.

How long are the classes?

Classes are normally about 6 hours long. (9.30am – 4- 4.30pm, with a 1hour lunch break).

How often are the classes given?

Weekends and Wednesdays. (see <http://www.mypintarfacil.com/aulas.html> for detailed information on classes).

Where are classes held?

In my Studio in Carcavelos. I have room for 4 students at a time. Workshops can be arranged at other locations, if you can get 4 or more friends together, just *e-mail* me, to discuss. And I'm sure we can arrange things.

How are the classes conducted?

All students paint the same painting. I teach classes in a very easy-to-understand, step-by-step method.

Students are shown how to paint a feature and then they paint that step while I oversee their progress. With a maximum of 4 students at a time, plenty of individual attention helps the student progress very quickly. **Even though you've never painted before, in your very first class with your own talents, you complete a ready-to-frame painting that you are proud to take home.**

What is the cost for each class and what do I have to bring to a workshop?

The price for each class is **€60** and I supply **all** the equipment you need to produce your masterpiece (paints, brushes, canvas, cleaning material, etc.)

Should you want to bring your own Bob Ross brushes and paints a **€5** reduction on the fee will be applicable.

How do I sign up for a Bob Ross wet-on-wet technique® class?

Look on the website - www.mypintarfacil.com at the workshop dates, find a picture you would like to paint, then *e-mail* me to pintarfacil@gmail.com, or fill the *enrollment form* or just call me at **96 70.22.623** to confirm availability.

If this is your first workshop I will ask for a **€20** deposit (per person). Many classes fill quickly, so be sure to sign up early.
